**We affirm** that the earth is the Lord's and all that is in it. Recognizing that we are all treaty people, with gratitude we acknowledge our gathering on Treaty #1 land and the traditional homeland of the Métis Nation.

**Imitating** the inclusive welcome of Jesus, we seek to be a community marked by the love of God. Regardless of age, race, gender identity, or sexual orientation, we invite you to make Bethel your spiritual home. Sharing the peace of Christ, together we strive to reveal the realm of God in the world.

## Worship Focus

---

Our post-Easter worship explores a number of the "I am..." statements that Jesus uses to describe himself in the gospel of John. Who is the resurrected Christ? These profound images and metaphors offer much to feed our spiritual imaginations as we seek to live in the light of an empty tomb. This week we explore Jesus' conversation with a woman at a well, who longs for water that will quench her thirst of body and spirit. "The water that I will give will become in them a spring of water gushing up to eternal life."
